Nationality Italian
Date of birth 19 JULY 1970

WORK EXPERIENCE

From 1995 - present Expert of R&D and Innovation Strategy - Science Diplomacy/Policy
Name and address of employer Italian National Research Council (CNR) – Institute for Polymers, Composites and Biomaterials – IPCB 34, Via Campi Flegrei, 80078, Pozzuoli (Naples), Italy
Senior Technologist – CNR.

Type of business or sector Public research www.cnr.it
Main activities and responsibilities Representative of the President of the National Research Council of Italy in the steering committee CNR-ULAVAL www.umilaval.cnr.it ;
Scientific Attaché at the Italian Embassy in Canada June 2007- October 2014;
Professor of Economics and Management at the Department of Economics and Management Engineering, University of Naples Federico II 2003-2007 & 2015-2016; Responsible for projects of the National Research Council (CNR) at the Institute of Chemistry and Technology of Polymers (ICTP) 1995-2007; Italian National Contact Point (NCP) for the 5th and 6th Framework Research Programm (FP) of European Union 1998-2006. Promote and carry on research activities, in pursuit of excellence and strategic relevance within the national and international sectors, in the frame of European cooperation and integration.
My activity is concentrated on the enhancement, the precompetitive development and the technological transfer of research results. Moreover, I promote the collaboration in the scientific and technological fields, and in the technical regulations field, with organizations and institutions of other countries, and with supranational organizations in the frame of extra-governmental agreements.

Honours and Invitation

Letter of merit from Nobel Laureate Prof. Rita Levi Montalcini (October 2011);
Knight of the Order to the Merit of the Republic of Italy OMRI 2008; Project leader and Coordinator of the research group on the technology transfer.
Educators' Honour Roll, University of Ottawa – TELFER School of Management (October 2013); Patron Science Award – TRIUMF Vancouver (October 2014).

EDUCATION AND TRAINING

Degree in Natural Sciences, University Federico II of Naples. Title of the thesis: "Hygienic problems applied to food packaging systems".

Visiting Professor: Bulgaria Academy of Science – March 2016; McGill University – October 2015

Internship at the University of California 2006 on International Technology Transfer.

SELECTED PUBLICATIONS

E. Fiore, M. Pandolfi Co-editor " Best Practices from Cooperation Between the Sapienza University of Rome, Canadian and American Universities" edito da Springer ottobre 2015;

E. Fiore "Report: Spin-offs and Start-ups in Canada and Italy" – Embassy of Italy in Canada (2012)

E. Fiore "Report: The federal agencies that fund research in Canada" – Embassy of Italy in Canada (2011)
